Welcome to everyone, especially if you are visiting or new to us! We’re delighted that you’re worshipping with us today. In this leaflet and on the Community Table (at the back of the Nave near the Baptistry) you’ll find more about what is happening in and around here.

- **Prayer Points for this month**
  This month we pray for our Cathedral worship, that it may offer a way for all to meet with God and have their lives transformed by the Holy Spirit.

- **Organ Recitals, Monday 12th and 19th at 1pm**
  These half hour concerts feature Paul Carr, from Birmingham and Ashley Wagner, Assistant Head of Music at Birmingham Cathedral respectively. Admission free, retiring collection.

- **My final Cathedral Walkers, Wednesday 21st**
  Because my health no longer allows me to organise and run Cathedral Walkers, this will be the last walk I organise. We are walking round the canals near The Fleur-de-Lys at Lowsonford, and lunching there with their excellent food. Please let me know by close Sunday 18th if you are coming to walk, lunch or both to dagoodall@hotmail.co.uk or 024 7646 1946. Provisional plans are in place for future walks to be organised. - **Help needed for Teddy Bears Picnic, Thursday 22nd**

- **Interstellar, Friday 23rd at 7pm (ticketed event)**
  Secret Symphony’s 50-Piece Limelight Orchestra celebrate the 50th Anniversary of the 1969 Apollo 11 moon landing with all things space, stars and Interstellar. Enjoy a soundtrack including tracks from David Bowie, Coldplay, Muse, ELO, Pink Floyd, Emerson Lake & Palmer, & many more. With immersive light and special effects using NASA footage.

- **Nuido – Japanese embroidery exhibition, until Monday 26th**
  The exhibition presents examples of traditional Japanese embroidery produced by skilled needle workers in the UK. Workers will be demonstrating the techniques: the embroidery is worked on the finest quality silk and metallic fabrics using pure silk and metallic threads.

Some good news on the music front...

We’re delighted to report that the Cathedral Chapter has approved the extension of our Assistant Director of Music’s contract with the result that Rachel Mahon will be with us until at least the end of 2021. In addition, Alastair Stone will be our Organ Scholar for the academic year 2019-2020. Many thanks to all those whose support has made it possible for these appointments to be made.  Canon David

John Moule says “Thanks”

Sincere thanks to those members of the congregation who came to my aid and support after I passed out during the 10.30am Service on 4th. Special thanks to Head Verger Dan who called for an ambulance. I was admitted to Walsgrave A&E at 1.00pm and eventually allowed to leave at 9.30pm. I am also extremely grateful to Jane Williams and Ann Finlayson. Thanks too to all those who phoned Hazel to see how I was.  John

Online survey on electronic communications

A Warwick University placement student is undertaking a survey as part of a project to review the Cathedral’s effectiveness of electronic communications. We would be grateful if those of you who have computers could complete the survey at the following link.

Do you know anyone who remembers Coventry during World War 2?

Testimony Films (makers of BBC's WWI: The Last Tommies and Raleigh: The People's Bike) are making a new BBC documentary about the history of Coventry’s car industry. They are trying to find someone who worked in any Coventry factory at the time or helped with the war effort - ideally a young adult then in their late teens/twenties. At this stage all correspondence would be kept confidential, and would just be for research. If you can help, please email the Development Producer via lizi.cosslett@testimonyfilms.com.
