Bardsley Youth Project and a Mini - Can You Help?
Coventry Transport Museum has recently given us a 1982 Austin Mini that we are looking to fix using five or six young people who are disengaged from education, employment or training. This is a great opportunity to get alongside them for a good period of time, inspire them and broaden their horizons.
We have an older young person who is an apprentice at the museum (and helped get this amazing donation), who together with our Youth Workers and an experienced mechanic would work with the young people to fix the car.
We currently do not have anywhere to do the work or an experienced mechanic.
How can you help? Do you have a workshop/outhouse big enough for 10 people working on a car? Or do you have expertise in fixing classic cars?
Please contact Simon Rée on 07891 173 011 or simon@bardsleyyouth.org. Thank You!

TODAY after the Eucharist
Bring-and-Share lunch!
Please do stay and join us for this event which takes place on the first Sunday of every other month. Your presence will be really appreciated whether or not you have brought any food. There is always plenty for everyone!
There will also be an opportunity to complete an anonymous survey (part of our Natural Church Development Programme) about your experiences and thoughts here at Coventry Cathedral. We need as many points of view as possible to help us improve and grow.

Monday 3rd April
4pm-5pm in the Chapel of Unity
Hear about, and pray for, a place of welcome for all at Warwick Road Church Centre, offering ways to help people feel they belong to a friendly and supportive community, whatever their circumstances or background.
Introduced by Jean Perry, Outreach and Development Worker at Warwick Road Church Centre.
