Welcome to Coventry Cathedral

Greetings from Coventry Cathedral's Schools' Team

The Schools' Team provides educational visits that will be memorable, exciting and will allow you to discover the unique history and stories of Coventry Cathedral.

Our curriculum-linked tours will allow your group to explore the cathedral with the help and expertise of our highly skilled and knowledgeable teachers. You will be taken through both the old cathedral ruins and the new cathedral.

To continue your students' learning journey we provide workshops for all ages, designed around a varied curriculum, ensuring your students get the best opportunity to learn and develop their knowledge and skills.

We will invite you to evaluate your experience after the visit in order to create more and better learning opportunities for your pupils. Further information on the workshops available can be found within this booklet.

Coventry Cathedral provides children with the opportunity to learn about peace, reconciliation, art, history, mathematics and much more.

IN SCHOOL VISITS & VIRTUAL CLASSROOMS

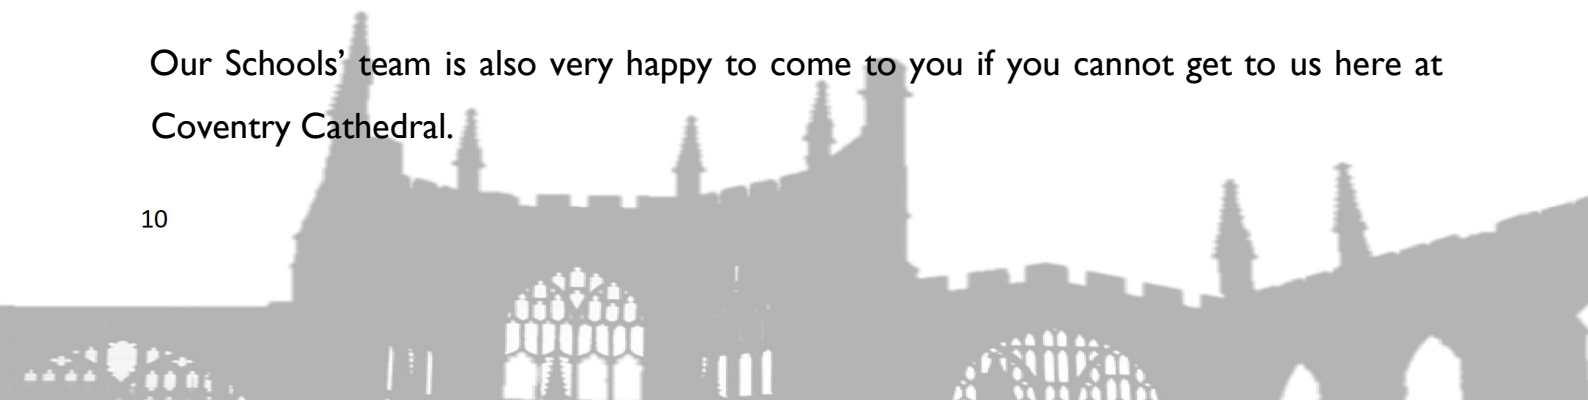

There's no doubt that bringing children out of the classroom to experience the sights, sounds and smells of historic buildings and places of worship is an amazing experience, and one that cannot be replicated online.

We know, however, that taking children away from the classroom is tricky – especially since COVID-19 took hold.

To support you and your students in the history and RE curriculum we've created a range of sessions and workshops accessed online and via Microsoft teams in your classrooms.

Coventry Blitz – 45 min session – including story of the 14-15th Nov & activities
Coventry Blitz assembly – 20 mins

Our Schools' team is also very happy to come to you if you cannot get to us here at Coventry Cathedral.

Running a Community Day on the theme of forgiveness?

Want help with a class/school art project?

Would you like to run a Citizenship Workshop on Conflict Resolution & Bridge Building, or Relationships?

We are available to visit your school to help bring a variety of topics to life with some of the stories that surround Coventry Cathedral. We can talk in assemblies, teach a specific lesson, teach a series of lessons throughout a day or present to an entire key stage/year group. Just let us know what you would like and we will do our best to accommodate your request.

SOUVENIRS AND THE POP-UP SHOP

We would love to be able to offer you and your students a souvenir of your visit to the Cathedral. With this in mind, we have a variety of affordable gifts, priced from just £1.00, which we can make available to you in one of several ways:

1. **The 'Pop-Up Shop'** – Unless schools specifically ask us not to do this, we will make the Pop-Up Shop available during your lunch break, staffed by our volunteer guides. Payment can be made in cash or by contactless credit/debit card. Should your visit not involve a lunch break, we will facilitate this some other way.
2. **Prepared Gift Bags** – Alternatively, we can prepare a gift bag containing one or more souvenirs for you and hand these over to you at the end of your visit. The cost of these souvenirs can be added to your Final Invoice so that no money needs to change hands on the day.

A selection of the gifts appears below.

CHURCH OF ENGLAND PRIMARY SCHOOLS PILGRIMAGE TO THE CATHEDRAL

Asking the question “Who am I?”

Identifying talents and abilities

Exploring Christian Values

Learning about Pilgrimage

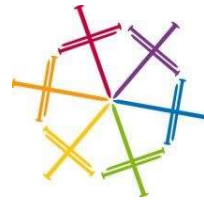

Bring your students to the Cathedral, and we will take them on a reflective journey. Designed with specific year groups in mind, such as the Year Six transition to Secondary School, the pilgrimages are explicitly Christian in nature and allow time for the children to encounter Jesus through a number of fun and reflective activities. They will be encouraged to use their senses and work in groups. They will also be given space to be alone and understand better the person they are.

Pilgrimages are tailored and bespoke to your particular group, but could be on:

TRANSITION • PEACE & PRAYER • RECONCILIATION • LENT & EASTER

BECOMING AN ICONS SCHOOL

International Cross
of Nails Schools

The **International Cross of Nails Schools (ICONS)** is a growing network of schools around the globe, committed to deepening their understanding of reconciliation and incorporating it into their everyday life and routine.

The ICONS programme creates a safe space, without fear, for children to explore powerful emotions and practice the skills of reconciliation, encouraged by the positive example of their teachers and school community.

We want to inspire children with hope, and empower them to play an active part in changing the world.

If you would like more information, or if your school is considering becoming an ICONS school, please contact:
